

Domestic Violence Information

What is Domestic Violence?

Domestic Violence (also called intimate partner violence (IPV), domestic abuse or relationship abuse), is a pattern of behaviors used by one partner to maintain power and control over another partner in an intimate relationship. Types of abuse may be physical, emotional, sexual, reproductive, financial, and/or digital.

Information from www.thehotline.org

- One in every four women will experience domestic violence in her lifetime
- 85% of domestic violence victims are women
- Each year an estimated 1.3 million women are victimized by intimate partners
- Every 44 minutes in Arizona, one or more children witness domestic violence
