FATAL COLLISION INVESTIGATION

On July 5, 2021 shortly after midnight, Phoenix Police officers responded to a three vehicle collision in the area of 3700 West Grand Avenue.

Officers arrived on scene and observed several vehicles involved in a collision. Phoenix Fire personnel also responded and transported several people, to include children to a nearby hospital for treatment. Phoenix Fire attempted to provide medical treatment to the passengers, unfortunately the male and female were pronounced deceased on scene.

The intersection was secured and detectives from the Vehicular Crimes Unit responded. Detectives have learned that there was a non-injury collision in the area of Grand Avenue and 37th Avenue and the first vehicle attempted to avoid the collision when he swerved and struck the back of a second vehicle.

The impact of this collision caused that second vehicle to drive onto oncoming traffic. A third vehicle who was traveling east bound on Grand Avenue then collided with that second vehicle.

The first vehicle was occupied by a male driver and two other passengers. The second vehicle was occupied by two females and three children. The third vehicle was occupied by a male driver and a male and female passenger. There were no serious injuries to the first two vehicles and the driver of the third vehicle. The driver of the first vehicle displayed symptoms of impairment. All charges or bookings will occur after all evidence is processed and the collision is reconstructed.
