

This form is used to request the modification to, elimination of, or encroachment within a public utility easement (PUE). After completing this application, attach an exhibit of the affected area. This form must accompany the Appeal Application – Subdivision Plat and Traffic form (TRT 00065) requesting the change or removal of the standard PUE.

Date: \_\_\_\_\_ KIVA #: \_\_\_\_\_ Plan Review #: \_\_\_\_\_

Project Name: \_\_\_\_\_

Project Location: \_\_\_\_\_ City of Phoenix Quarter Section #: \_\_\_\_\_

Applicant: \_\_\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Contact Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Email Address: \_\_\_\_\_

**Check all applicable boxes for this request:**

- Modification to PUE (Reduce standard width of PUE to be dedicated)  
Technical Appeal Required
- Elimination of PUE (Removal of PUE dedication requirement)  
Technical Appeal Required
- Encroachment within PUE (Structure placed within existing PUE)  
Technical Appeal Required
- Approval of construction location in proximity to PUE or alley where there are existing overhead electric lines on, across, or immediately adjacent to the property.

Description of Work:

For more information or for a copy of this publication in an alternate format, contact Planning & Development at 602-262-7811 voice or TTY use 7-1-1.

**Exhibit Included**

Provide an exhibit (11" x 17" maximum) that clearly indicates the limits of construction. Easements, right-of-way, paving, and all existing utilities should be fully dimensioned.

**Utility Approval**

Contact all pertinent utility companies. In addition, there may be private irrigation lines in the PUE. Provide written confirmation of approval from all appropriate utility representatives. The list below is provided for your reference. Information your civil plan reviewer of any new contact information.
